GLUSBURN COMMUNITY PRIMARY AND NURSERY SCHOOL

My Happy Mind

Your children may have come home this week talking about the different parts of their brain. This is because every class is learning a unit called 'Meet Your Brain.' We have launched My Happy Mind across the school and will be using it every week. This QR code will help you log on and it is well worth a look. [Use the code 121447](#)

Day for Change

Our annual 'Day for Change' will take place on Friday 13th February. This is the day where the children undertake different activities in class but we also have a coffee morning for families. Last year the staff entered the 'Bake Off' on the theme of the global goals so this year we will pass the baton to parents. On the day we would welcome 'Bake off' entries from families. We will post pictures of last year's entries on Dojo nearer the time as inspiration!

Shoes

There are quite a lot of pairs of coloured trainers being worn on non-PE days at the moment. Please can we prepare our children for school and secondary school by making sure they are in uniform – all black trainers are fine and can be picked up cheaply at many supermarkets.

Traffic lights

Following on from the chaos of traffic lights on Colne Road this week, there are apparently traffic lights starting on Station Road next week so the fun continues.

Dates for your diary

Thursdays after school- Choir

Friday after school – Drama

28.01.2026 – Year 6 trip to London
