GLUSBURN COMMUNITY PRIMARY AND NURSERY SCHOOL

Welcome back everyone – I cannot believe it is already the Summer term. It is always a busy one with lots of activities, fun and school trips.

Year 5 started the Summer term with an overnight trip to Nell Bank for their Y5 residential. They had a great time and used their skills to work together to solve various challenges. Not much sleep was had by staff and children alike but they did have lots of fun. Thanks as always to the staff for giving up their own time to accompany the children – it really is appreciated.

Science show – Thursday 23rd April at 5.30pm

A reminder that tickets can be purchased for the Royal Institution for science show which is to be held next Thursday at 5.30pm at school. Details have been sent via Arbor email as to how to request/purchase tickets. Please complete the form asap so we can allocate tickets to those who are successful. We've been told to expect smoke and bangs!
