GLUSBURN COMMUNITY PRIMARY AND NURSERY SCHOOL

LONDON

I know we bombarded everyone with pictures on the day but Year 6 had a great trip to London on Wednesday. Don't tell the previous year groups Y6 but you were by far the best group we have taken. Enthusiastic, engaged and polite. Thank you to the staff for supporting this trip – it takes a lot of organisation and an early start and late finish so your time and help is appreciated.

Phones in school

There has been an ongoing debate about mobile phones in schools over the years and now the DfE has decided that all schools should be phone free for pupils throughout the school day. Our school already is but before buying your child a mobile phone, please think carefully about whether they need one yet. We highly recommend keeping all of primary school free from phones. A lot of friendship issues in year 5/6 come from the use of whatsapp and images because children are not yet ready for the responsibility of a mobile phone. At home, screens are often used to keep children occupied or calm—but relying on them too much can mean children don't get the chance to develop self-regulation skills.

Dates for your diary

Thursdays after school- Choir

Friday after school – Drama

05.02.2026 – Choir to Young Voices

11.02.2026 – NCPCC Workshops- Y2/5/6
